Positioning sticker x1

Dome camera bracket x1

## Solar Panel Pack

Solar panel x1

Bracket arm x1

Screw pack x1

Baser x1

Clamp nut x1  
Base nut x1

# Botslab APP User Guide

1

## Download the Botslab App

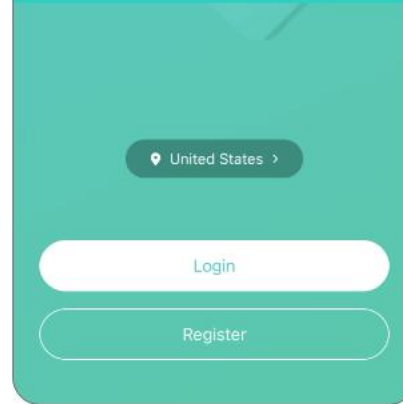

Search for Botslab in the app store or scan the QR code.

2

## Get an Account

Sign up for an account or log in with your existing account.

3

## Add Your Device

Tap the device in the app or scan the QR at the bottom of the device

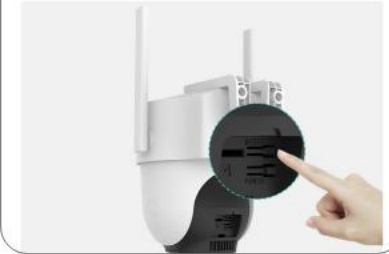

4

## Configure Your Network

Follow the on-screen instructions to start network configuration

### Step 2

After powering on the camera, press and hold the reset button for 3-5 seconds until you hear a "beep" sound. Proceed network configuration when you hear "waiting to receive network configuration information" from the camera

5

## Receive Free Use for One Year

### Basic Plan For Free

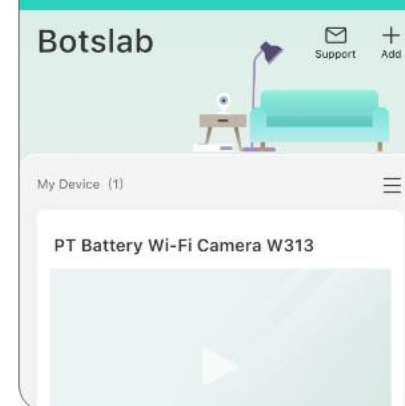

\$2.99/Mon

- Video History for 7 Days ✓
- Video Saving and Sharing ✓
- Person Alerts ✓

Receive free

6

## Enjoy Your Secure Life.
